Principal Letter

Dear Parents,

We are nearing the end of the first nine weeks and our students and teachers have experienced many successes during the first two months of school. Students will be taking home report cards in two weeks and we will have our awards day ceremony later this month.

In order to continue these academic successes, I am asking all of our parents to continue the academic push at home. Each night, students should be reading for a minimum of 20 minutes and utilizing successmaker or Zearn.com. Our goal is to become an "A" school within the next few years. This will not happen without your support.

Thank you,

Justin Robicheaux
