### Principal Letter

Dear Parents,

Thank you so much for helping to make the start of this school year a huge success.

As we get back into the swing of things, I want to go over a few things you can do at home to help our school and children continue to grow. Each night, students should be reading for a minimum of 20 minutes. This can be independent reading or you can read to your child. It is also important that you ask your child questions about the reading to improve their comprehension.

Another resource you can use at home is fact fluency drills. Several websites help with fact fluency, including [xtramath.com](http://xtramath.com), [mathfactspro.com](http://mathfactspro.com), and [starfall.com](http://starfall.com).

Students should practice their facts for at least 30 minutes a week at home.

Also, if you have not done so, I ask that you visit our website [www.highlandtigers.com](http://www.highlandtigers.com), to see all the great things going on at our campus.

Thank you,

Justin Robicheaux

### Upcoming Events

Sept. 2

**Labor Day (No School)**

Sept. 13

**Progress Reports Go Home**

Sept. 18

**Early Dismissal (12:45)**

Sept. 25

**Work Packets Go Home**
